- 2) Competitions are open to all but those holding a TMRF, TCRG, or ADCRG designation. All dancers must be pupils of a person currently registered with An Coimisiun as a Dancing Teacher of any category.

- 4) Competitions may be closed if there are no competitors at the assigned stage ready to compete when the competition is scheduled or announced. This will not pertain to a situation where competitors are involved in stage conflicts: in that case the competition(s) will remain open for a reasonable amount of time to allow the dancer(s) in question to arrive at the stage and compete.

Costumes for both boys and girls should not include representations, such as globes, medals, or any other item symbolic of an award having been achieved effective Jan 1, 2013. (CLRG AGM 2012). Costume or costuming is defined as any element of performance/presentation clothing, worn by a dancer in the course of a competition, including but not limited to dress, waistcoat, trousers, shoes, headgear, capes, shawls, socks and underwear (CLRG AGM 2012)

- 12) Competitors must answer all questions on the entry form as required by the Feis Entry committee, including teacher's name, and enclose the entry fee when mailing. Failure to do so will result in a rejected entry. Entries must be postmarked on or before the closing date or they will be subject to a late fee as determined by the feis committee and published on the syllabus and/or entry form. There will be no refund of entry fees for any reason.
- 13) Open Championships:

- b) Entrants in Open Championships should specify on the entry form their choice of set dance
- c) Open Championship competitions in the minimum required age groups must be offered separately in the syllabus, yet the feis committee may combine an age group with the next higher age group if there are fewer than 5 competitors entered in the lower age groups. A feis committee is not permitted to combine dancers from one open championship age group with any age groups which is more than one age groups higher than the age group in which the dancers are entered d) A dancer is required to perform a light shoe dance (reel or slip jig for ladies and reel only for men) and a set dance. - 2. Have never won 1st, 2nd or 3rd in Open Championship.
- b) A dancer who wins two (2) first place preliminary championship awards in one calendar year will move on to Open Championship the following year (as of Jan 1); if the second first-place win does not occur in the same feis year as the first win, as soon as the second win is achieved, in any age category, the dancer must move up to open championship level immediately. Only in the case of a back to back Feiseanna (successive days) the first-place win in the first Feis will not change the dancer's status for the second Feis c) A dancer in a preliminary championship is required to perform a light shoe dance (reel of slip jig for ladies and reel only for men) and a hard shoe dance. - d) Boys and Girls will be combined in preliminary championships —Please note the separation policy involving five or more boys e) Preliminary Championship competitions must be offered separately in the syllabus for the minimum required age groups, yet the feis committee may combine an age group with the next higher age groups if there are fewer than 5 competitors entered in the lower age group. - 16) Open Championships and Preliminary Championships require at least three adjudicators.
- 17) First place winners in the Open Championship category cannot return to a Preliminary or Open (Prizewinner) competition. Placing in a Regional or National Oireachtas does not change the status of a competitor. If after competing for two full feis years at the Open Championship level, a dancer has not placed first, second or third, he/she may opt to return to Preliminary Championship status.
- 18) The status of the dancer does not change unless there are five or more dancers in a competition.
- 19) In championship events or solo set dance events: Introductions for set dances will be played only once and competitors must set their speeds during that one playing, no variation in speed will be allowed once dancing is due to commence. Dancers beginning before or after the stipulated set-dance introduction will automatically receive a zero for that round from the/or all adjudicators. (CLRG AGM 2011)
- 20) Grade Category Definitions:

Beginner: A beginner is a competitor who has not taken a full year of Irish Dance lessons, thereby giving beginners a full year with such status. A Beginner must move into the Advanced Beginner category for the next year.

Advanced Beginner: An Advanced Beginner who wins 1st, 2nd, or 3rd place will advance to the Novice category in that particular dance.

Novice: A Novice dancer who wins a 1st place in a dance will advance to the Open (Prizewinner) category in that particular dance. Open (Prizewinner): A competitor who does not qualify as a Beginner, Advanced Beginner or Novice. Adult Beginner: An adult beginner is a competitor who never took Irish dancing lessons as a juvenile and is over 18 years of age. - 21) Musicians and adjudicators cannot be approached during a competition by anyone except the Feis Committee. No one can approach them while a competitor is performing.
- 22) Musicians employed by the Feis Committee will be solely under the direction and management of the Feis Committee on Feis day.
- 23) Teachers or team captains are responsible that their teams are complete and in positions when the competition is announced. Competitors may compete in their own age group or in the next higher age group, however a competitor may compete in only one age group.

- 25) Adjudicators are to monitor the quality of music at the stage(s) to which they are assigned.

- 29) Make up is prohibited on a dancer in the first three grades (First Feis [if offered)], Beginner and Advanced Beginner or their equivalent) up to and including the under 12 age group.
- 30) Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition, medically prescribed aids (proof of which may be required) will be exempt from this rule.
- 31) No substance that can become airborne should be used on any dance floor in an attempt to improve traction.
