

Cowboy State Feis

VENUE CHANGE INFO

The Cowboy State Feis will be held at Roosevelt High School.

This brand new facility sits immediately southwest of our originally scheduled venue, CY Middle School. To get to Roosevelt High School, you will turn east onto Eagle Drive, and then turn right on one of the first two streets/driveways to access the school parking lots.

The facility is new enough that navigation will not find it. To use navigation, use the address for CYMS (2900 Cyclone Blvd) to get as far as Eagle Drive. Your navigation will want you to take the third right (on Cyclone Drive); instead, you can turn on either the first or second right and find yourself in the parking lots for Roosevelt High School.
