FEIS GUIDELINES

We continue to check with our local health department to ensure that we follow all guidelines. Please know the following WILL BE IN EFFECT for our Feis:

- ALL attendees will be required to wear masks in ALL areas adjacent to the ballrooms.
- Dancers will be permitted ONE spectator in attendance with them; this limit will be strictly enforced. Spectators will be required to register prior to the Feis (please watch for link).
- Entry to competition areas will be tightly managed to assure sufficient ability for social distancing.
- Dancers may remove masks to dance (ONLY).
- Dancers will dance one at a time (please refer to syllabus for requirements).

Non-compliance with these guidelines or any additional health department requirements, will result in removal from the Feis (without refund).

We are working hard to ensure that we can host a safe and enjoyable event that remains well within all guidelines. Thank you for your cooperation to make this possible!
