### **GRADE LEVEL RULES**

1. Solo competitors in First Feis (if offered), Beginner, Advanced Beginner, Novice or Open (Prizewinner) competitions:

- (a) Must compete in their own age group.
- (b) Must be prepared to perform two steps in each event.

With the exception of First Feis and Beginner 1, a dancer's level is determined in each dance (Reel, Light Jig, Single Jig, Slip-Jig, Hornpipe, Treble Jig, and Traditional Set). Traditional Set Dances are limited to those dances determined by An Coimisiun Le Rince Gaelacha as traditional set dances.

2. Competitions may be combined with the next higher age group if there are less than 5 competitors entered. Competitions can only be combined up (or down) one age group. Committees may combine three consecutive age groups, in the highest age groups only, when needed to create a competition of five (5) competitors.

3. Boys and girls CANNOT be combined EXCEPT according to the following:

(a) All boys' competitions below Preliminary Championships shall be initially entered in single year age groups; (b) If there are less than 5 entries in any one age group, combination of the competitions shall be done according to the following rules, in order of preferential application:

- (1) Into double All Boys age groups: and
- (2) If a double All Boys age group does not create 5 or more entries, the boys shall instead be combined into the corresponding single year Girls' age group; and
- (3) If the combined Boys and Girls age group still does not create five (5) or more entries, that competition may be combined with as stated in rule #2.
- (4) Any competitions so combined shall be run as a single competition.

4. Each region may determine the system for moving dancers from one grade to another, as they see appropriate for their region. The syllabus is to contain all grade categories. A Feis Committee may combine two consecutive age categories into the higher of the two categories within that grade when less than five (5) competitors are entered (see Rule 2, above). Competitors have the option to remain in the same category for the remainder of the Feis year. A dancer, at the discretion of the teacher, may move into the next Grade (not Open Championships) without satisfying the requirements. However, once a dancer competes in the higher level, they can never move back to a lower category, (except as outlined in Rule 1, above).

### **5. Grade Levels**
