Grade Examinations Scheme:

The purpose of the Grade Examinations Scheme is to provide a structured framework within which dancers can progress towards an achievable goal. The syllabus has been designed to provide a strong foundation in Irish Dance by developing a candidate's physical skills, stamina, expression, musicality and an appreciation and knowledge of the traditional dances and culture. It provides a worthwhile sense of achievement for individuals whether they dance solely for health, recreation or competitive reasons or hope to pursue a career in Irish Dancing.

Grade examinations are unlike competitions in that each candidate is individually examined and receives a detailed written assessment of their performance and knowledge of the grade being attempted. They are open to both male and female candidates regardless of age and ability.

The scheme consists of an optional Preliminary Grade followed by a further 12 grades with each grade becoming increasingly more demanding on the candidate's skill, knowledge and ability. Each Grade must be passed and certificate awarded before a candidate may attempt the next level. A dancer who successfully completes all Grades will be awarded "The Diploma of the Irish Dancing Commission". **Dancers must bring previous diploma's to their exams or they will not be allowed to proceed to higher grades.**

All 12 Grade Examinations must be completed to be eligible to apply for the TCRG Examination effective from January 1st, 2018.
