LEVEL DEFINITIONS AND ADVANCEMENT RULES

First Feis is not per dance. It is the first Feis ever for the dancer. Dancers may only enter First Feis once, regardless of how many dances they are competing, even in the case of back-to-back Feiseanna.

In **Beginner 1, Beginner 2 and Novice** the following advancement rules will apply:

- Competitions with 5 - 9 dancers: 1st place will advance to the next grade.
- Competitions with 10 or more dancers: 1st and 2nd places will advance to the next grade.
- Dancers may not stay in level at teacher discretion, with the exception of back-to-back feiseanna.

Prizewinner: Advancement from Prizewinner to Preliminary Championship is at teacher discretion.

Preliminary to Open Championship:

- Dancer must have 3 overall wins in competitions with 5 or more dancers. Advancement to Open is not at teacher discretion.
- Upon winning 3rd overall win in Preliminary Championships, a dancer must move immediately to Open, even in the case of back-to-back Feiseanna. This includes 2-round and 3-round Preliminary Championships.

Adults: Dancers who started after the age of 18, or who have been out of Youth/&over competition for 5 years.

Advanced Adults: Dancers age 18 or older who previously placed in the top 3 of a Preliminary Championship or competed at the Open Championship level in the youth/&over levels, regardless of when the competitor was last active.

- Advanced Adults do not need to be out of competition for 5 years before moving from the youth/&over categories to Advanced Adults.
- Dancers who have already been competing in the regular Adult categories do not need to move to Advanced Adults, regardless of their level or placements achieved when competing in youth/&over.
- An Advanced Adult dancer has opted to leave Youth/&over categories, and once the dancer begins competing in Advanced Adult, the dancer may not return to Youth/&over categories.

Beginner Figures: Open only to dancers in beginner for at least one solo dance.

Open Figures: Open to all grade levels.
